**How to reach Politecnico di Milano
Department of Mechanical
Engineering**

POLITECNICO
MILANO 1863

mecc

Reaching the campus from Malpensa Airport

Take the *Malpensa Express* train that leaves Terminal 1 and Terminal 2 every 30 minutes. The trip lasts about 35-40 minutes and the tickets can be bought at the ticket office of Malpensa railway station or on the train by adding a small surcharge. Get off at "Bovisa Politecnico" station. Once outside, turn right and go down the stairs. Then turn left in via Privata Mariani and, at the end of the street, turn right in via La Masa. The Department of Mechanical Engineering is on your left ("Sesini building", see the photo at page 2). The complete route is highlighted in red in the map on page 2.

Taking a taxi from Malpensa Airport will not help you saving time (except in the late evening hours) and could be quite expensive.

Reaching the campus from Linate Airport

Catch bus 73, a non-stop bus which will take you to the city centre (Piazza S. Babila). Tickets can be bought at the bookstall in the airport or on the bus by adding a small surcharge. Then catch the underground (M1 red line) TO "Rho Fiera" or "Bisceglie" and get off at "FNM Cadorna" station. In the daytime trains leave "FNM Cadorna" station every 5-10 minutes. Please check whether the train stops at "Bovisa Politecnico" station or not. The trip will last about 50 minutes.

A taxi fare will take from 45 to 60 minutes, depending on road traffic.

Reaching the campus from Orio al Serio Airport

Catch the bus to "Milano Centrale", then follow the instructions afterwards. It takes at least 1h30 to reach "Bovisa Politecnico". A taxi will be faster but quite expensive.

Reaching the campus from Milano Centrale railway station

The fastest way to reach us is to take the *Malpensa Express* and get off at "Bovisa Politecnico".

Also, you can either take the underground M3 yellow line to "Repubblica" station (destination: "S. Donato") and then take the S1, S2 or S13 lines or take the M2 green line to "Garibaldi" station (destinations: "Assago" or "Abbiategrasso") and then take the S1, S2 or S13 lines. The destinations of the "S" lines should be "Saronno" or "Bovisa" (S1), "Seveso" (S2) and "Bovisa" (S13).

Alternatively, you can walk to "Via Tonale", catch bus 92 to "Via Varè" and get off at "Bovisa Politecnico".

As soon as you get off, you can follow the above-mentioned instructions. Note that at the newsstands you can buy single fare tickets as well as one-day tickets for unlimited fares in one day. For more information see: https://www.atm.it/en/ViaggiaConNoi/Pages/default.aspx.

Reaching the campus from Milano Garibaldi railway station

Take the S1, S2 or S13 lines to "Bovisa", "Saronno" or "Seveso". The trip will last about 10 minutes.

Reaching the campus from Milano Cadorna FNM

Take any train to "Bovisa". The trip will last about 10 minutes.

If you decide to take a taxi, please specify to the driver the full address of the Department because there are more than one Politecnico Campus.
